Re: PacifiCorp; Amendment to Request for Extension of Narrowbanding
Deadline; WT Docket No. 99-87

Dear Mr. Stone:

This letter is submitted to make a minor correction to the "Request for Extension of Narrowbanding Deadline," filed by PacifiCorp on August 31, 2012. Although page 11 of the waiver request correctly stated that there are 62 call signs for which PacifiCorp is requesting waiver, Attachment A to the request listed a few additional call signs. Attached hereto is a corrected Attachment A identifying the 62 call signs for which PacifiCorp is requesting waiver. It should be noted that these 62 call signs represent only 12 percent of the 513 VHF and UHF call signs that PacifiCorp held prior to the implementation of PacifiCorp's Narrowband Compliance Program.

Should the Commission have any questions or require any further information, please communicate directly with undersigned counsel.

Very truly yours,

/s/ Jeffrey L. Sheldon
