Subject: Request for Waiver for e-rate funding year 2011

To whom it may concern,

High School of Recording Arts is requesting a wavier for funding year 2011. While filing our telecommunication e-rate reimbursement paper work, on September 3, 2012 we discovered that our funding was rejected: ?Certified - Out of Window Your Form 471 was certified outside of the filing window for the Funding Year.?

An e-rate consulting firm that the school hired to submit e-rate our paper work caused the problem. Unfortunately the firm went out of business, before we discovered the work was not completed on time and a waiver was not requested promptly. The firm in question is:

Consultant Name E-Rate Consultants LLC
539 NW 208th Way
Pembroke Pines, FL 33029
Consultant Registration Number 16060517

We have put in place new procedures to avoid problems like this in the future.

As a small inner city charter school we have used and rely on e-rate to help manage our cost and deliver education to our student. We appreciate your consideration on this matter and look forward to your response.

Respectfully your
Justin Williams
