

WRNR-1031 Annapolis, Empire Broadcasting systems inc. Bob Waugh is using the station, events and his position to sleep with an employee called Carrie Neuman. He is cheating on his wife, discriminating against other employees, and being extremely unethical and it creates a dangerous, toxic work environment for all. Steve M. Kushner (Kingston) is the owner and he is running a crooked ship. Rob Tim also had inappropriate relations at the station, while his wife was pregnant. All three of these people should be fired - Bob Waugh, Carrie Nueman and Rob Tim. Thank you for your time.
