Dear Sirs:

The Cook County School District #130 (“Cook County 130”) would like to respectfully submit a Request for Waiver of the Rules of the Universal Service Program for Schools and Libraries (“E-rate Program”), to allow Cook County 130 to amend its Form 486 filing – Application number 884247.

Cook County 130 respectfully requests that it be allowed to correct the Service Start Date from the current 09/22/2011 to the correct start date, which was a year before on 9/22/2010. The error was a simple transcription error that has, unfortunately, complicated the final invoicing of a project that was completed over 6 months ago. Per the attachments, specifically the Form 486 Notification Letter, dated February 1, 2012, we have tried to resolve this issue directly with the SLD and have been told that we needed a Waiver Request to the FCC to consider the change on the Form 486.

In accordance with Program Rules, Cook County 130 has also requested, and was granted by the USAC, an Invoice Deadline Extension Request to allow the proper invoicing once the Form 486 was amended.

Finally, we note here that the Waiver of the Rules asked for here would serve the public interest by allowing Cook County 130 to complete the telecommunications upgrade project that provides vital voice services to our schools, and would not adversely affect current or future E-rate applicants.

Please feel free to call or write with any questions and/or concerns.

Sincerely,

Ernesto Santacruz

Technology Director

**Re: Form 486 Application Number: 884247**  
**Applicant's Form 486 Identifier: F486-VOIP**

This letter is to notify you that the Universal Service Administrative Company (USAC) has received and accepted an FCC Form 486, Receipt of Service Confirmation Form, from you. This notification is to confirm the information that you provided. This information is being shared with the service provider whose SPIN you identified on each Funding Request Number (FRN).

You may be receiving this letter to revise or correct a previous Form 486 Notification Letter. The information contained in this letter supersedes any previous notification you may have received, including, but not limited to, a previously adjusted Service Start Date or previously reduced funding commitment.

**NEXT STEPS**

Discuss with your service provider whether you would like discounts on your bills or to pay your bills in full and be reimbursed for discounts.

Invoice USAC before the invoice deadline using the applicant invoice (BEAR Form - FCC Form 472) for reimbursements after paying the bills in full or the service provider invoice (SPI Form - FCC Form 474) for discounts. Whichever method you choose, you must pay your non-discount portion, as stated in Program rules. Program rules also require that participants maintain all documentation for at least five years after delivery of discount service.

**TO APPEAL THE SERVICE START DATE/FUNDING COMMITMENT CHANGE DECISION**

If you wish to appeal the Service Start Date change(s) and/or funding commitment adjustment(s) indicated in this letter, your appeal must be received by USAC or postmarked within 60 days of the above date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. In your letter of appeal:

1. Include the name, address, telephone number, fax number, and email address for the person who can most readily discuss this appeal with us.
