RE: Certification of Support for Rural and Non-Rural High-Cost Carriers  
Pursuant to 47 C.F.R Sections 54.313-314, CC Docket Nos. 96-45 and 00-256

Dear Secretary Dortch and Ms. Majcher

The Illinois Commerce Commission (ICC) hereby certifies that all federal high cost support provided to rural carriers in this state will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with section 254 (e) of the Communications Act of 1934, as amended. This includes High Cost Loop (HCL) support, Local Switching Support (LSS), High Cost Model (HCM) support, and high cost support received pursuant to the purchase of exchanges.

Attached is a list of rural carriers certified by the ICC pursuant to sections 54.313 and 54.314 of the FCC's rules (47 C.F.R. §§ 54.313, 54.314), which require states to establish an annual certification process for rural and non-rural carriers receiving federal high cost support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code (SAC). In order to meet the certification requirement, the ICC requires carriers to sign and return a notarized affidavit attesting to the proper

use of the federal universal service support. A representative of each carrier signed and returned an affidavit of compliance.

Sincerely,

Please note that the ICC has, in past years, certified the Bergen Telephone Co., Study Area 33-0848, and the Sharon Telephone Co., Study Area 33-0946. These companies, while serving in each case a small number of lines in the State of Illinois, serve primarily in the State of Wisconsin, have been assigned Wisconsin Study Area numbers, and are certified by the Wisconsin Public Service Commission. Insofar as certification of these companies by the ICC is called for, the ICC is prepared to do so, but is informed and believes that the WPSC is the proper state Commission to provide such certification.

**PLEASE FURTHER NOTE THAT NO ILLINOIS NON-RURAL CARRIERS RECEIVE HIGH COST SUPPORT FOR WHICH STATE COMMISSION CERTIFICATION IS REQUIRED.**
