Dear Ms. Dortch:

This letter and the attached filing pertain to the 2012 ETC filing requirements pursuant to 47 C.F.R. § 54.313.

**2012 Section 54.313 Report for United Telephone Company of the West d/b/a CenturyLink Nebraska**

In accord with the Commission's Order of September 17, 2012,<sup>1</sup> CenturyLink hereby amends its submission of June 28, 2012 by filing a 2012 eligible telecommunications carrier (or ETC) report for its affiliate, United Telephone Company of the West d/b/a CenturyLink Nebraska (CenturyLink Nebraska) with the Commission and USAC.<sup>2</sup> CenturyLink already provided this

information to the Nebraska Public Service Commission through a report filing on March 30, 2012 and a supplemental filing with the Nebraska Commission in late June.

On June 28, 2012, in accord with 47 C.F.R. §§ 54.313(a)(2)-(6) and 54.313(h),<sup>3</sup> CenturyLink submitted information for its 2012 annual reporting requirements as a high-cost recipient in 2011 in the above-referenced dockets. On September 17, 2012, the Wireline Competition Bureau released an Order that grants a limited waiver of section 54.313(j) to all eligible telecommunications carriers, allowing them to amend their reports within 30 days (*i.e.*, by October 17, 2012) that had been filed pursuant to 47 C.F.R. §§ 54.313(a)(2)-(6) and 54.313(h) and which were due for submission by July 2, 2012.<sup>4</sup> The September 17, 2012 Order instructed USAC to contact any ETC by September 24, 2012 that had failed to file a report or filed a deficient report under section 54.313.

CenturyLink reviewed USAC's website and search tool pertaining to section 54.313 filings and learned that USAC did not have a record that CenturyLink had made a filing for CenturyLink Nebraska. An internal review of our section 54.313 filings made prior to July 2, 2012 revealed that because of a clerical error the report for CenturyLink Nebraska had not been included at all with the June 28, 2012 submission to this Commission and USAC (rather, another CenturyLink

affiliate's report had been included twice inadvertently). CenturyLink regrets this inadvertent error and appreciates the opportunity from the Commission to amend its earlier report and thus ensure the completeness of its section 54.313 reporting documentation.

### **Notification of CenturyLink Companies Not Subject to the 2012 Section 54.313 Filing Requirement**

In addition, this letter responds to a notification from USAC that United Telephone Company of Indiana, Inc. (CenturyLink Indiana) had either not filed or made a deficient filing as required by 47 C.F.R. § 54.313.<sup>5</sup>

CenturyLink hereby provides notification to the FCC and USAC that CenturyLink Indiana as well as the other CenturyLink companies listed in the following table were not subject to state requirements to submit the information or certifications contained in § 54.313(a)(2)-(6) in 2011.

<b>Company Name</b>	<b>Service Access Code</b>
Carolina Telephone and Telegraph Company LLC	230470
Central Telephone Company (North Carolina)	230471

United Telephone Southeast, LLC (Tennessee)	290567

<sup>5</sup> USAC also provided a notification to CenturyLink that it had either not filed or made a deficient filing for "CenturyTel SW-AZ", SAC 452175. This company is no longer owned by CenturyLink, having been sold to Hopi Telecommunications, Inc. in May, 2006. USAC also provided a similar notification for Malheur Home Telephone Company, SAC 532456. This company was merged into Qwest Corporation in December of 2009, and its former facilities and operations became part of Qwest Corporation Oregon, SAC 535163. CenturyLink has not been able to confirm that USAC provided CenturyLink with a similar notification for any other CenturyLink companies. Nevertheless, a review of USAC's section 54.313 search tool revealed additional CenturyLink companies without a section 54.313 filing date. Thus, for completeness, CenturyLink is providing this letter to address all of the CenturyLink companies listed in the search tool without a filing date.

In 2011, each CenturyLink company shown in the table either received only Interstate Access Support (IAS) for federal high-cost support or received no federal high cost support at all. As such, these companies were not subject to state ETC data collection and annual certification requirements prior to 2012. In addition, the requirements of § 54.313(h) do not apply to these companies as the companies listed did not receive high cost loop or high cost model support during the reporting period. Therefore, for these companies a § 54.313 filing this year is not required. But, for each of the CenturyLink companies listed in the table that received only IAS for federal high-cost support in 2011 and 2012, CenturyLink has requested a § 54.314 certification from the applicable state commissions.

As is noted below, CenturyLink is also simultaneously transmitting today a copy of this submission to USAC.

Any questions regarding this submission can be directed to the undersigned using the above-noted contact information.

Sincerely,

/s/ Tiffany West Smink

Carriers shall now report lines and rates in effect as of June 1, 2012.
