

Request for Waiver of Deadline Date for form 471 filing.

I am a new and inexperienced Library Director at the Elizabeth Titus Memorial Library in Sullivan, Illinois a rural community of 4400 people. We operate on a small budget and as a result, the E-rate program has been a tremendous asset in helping us stretch our dollars. I wish I could give you an excuse other than because of my inexperience with E-rate filings, I didn't realize I needed to refile my 470 and 471 sooner than I did. I was following written directions left by the previous Director which obviously were wrong. I hope the administrator who reviews this request for waiver will grant the patrons of Elizabeth Titus Memorial Library the waiver and not reject it due to my mistake. Thank you for your consideration.
