**Re: Station KFXL-TV, Lincoln, Nebraska, Facility ID No. 84453
Streamlined Financial Hardship Waiver Request
MM Docket 11-93**

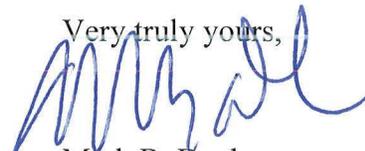

Dear Ms. Dortch:

On behalf of Lincoln Broadcasting, LLC (“Lincoln”), licensee of Station KFXL-TV, Lincoln, Nebraska (the “Station”), by this letter, Lincoln hereby requests a one-year delay of the effective date of the rules implementing the Commercial Advertisement Loudness Mitigation Act (the “Act”) pursuant to the “financial hardship” exemption set forth in Paragraphs 52 and 53 of the FCC’s *Report and Order in Implementation of the Commercial Loudness Mitigation (CALM) Act*, 26 FCC Rcd 17222 (2011) (the “Order”). Because the Station had less than \$14.0 million in annual receipts in 2011, and is expected to have less than \$14.0 million in annual receipts in 2012, the Station is a “small broadcast station,” as defined by Paragraph 53 of the Order. Because the Station is a “small broadcast station,” it is entitled to a waiver of the deadline for implementing the equipment specified by the Act.

Attached hereto in support of this waiver request is a Certification from the President and sole member of the sole member of Lincoln setting forth the information requested by the Commission in Paragraph 53 of the Order.

Please address any questions concerning this request to the undersigned.

Very truly yours,

Mark B. Denbo

CERTIFICATION

I, T. Stanley Trapp, President and sole member of KFXL Television LLC, which is the sole member of Lincoln Broadcasting, LLC ("Lincoln"), the licensee of KFXL-TV, Lincoln, Nebraska (the "Station"), hereby certify under penalty of perjury that the following is true and correct, based on information and belief:

1. The Station had less than \$14.0 million in annual receipts in 2011. Lincoln anticipates that the Station also will have less than \$14 million in annual receipts in 2012.
2. Lincoln needs a delay of one year to obtain specified equipment in order to avoid the financial hardship that would be imposed if it were required to obtain the equipment sooner. Lincoln intends to acquire the following equipment for the Station in order to comply with the requirements of the CALM Act: (i) a Linear Acoustic Digital Television Audio Processor Loudness Controller (or equivalent) and (ii) a Linear Acoustic Loudness Quality Monitor (or equivalent).
