**NORTHLAND CABLE TELEVISION, INC.
REQUEST FOR FINANCIAL HARDSHIP WAIVER
(STREAMLINED PROCESSING)**

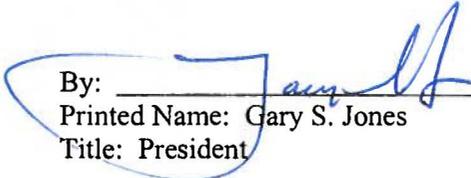

**In the Matter of the Commercial Advertisement Loudness Mitigation (CALM) Act
MB Docket No. 11-93**

On behalf of Northland Cable Television, Inc. ("Northland") (FRN 0001-5797-47), operator of the cable systems listed on the attached Exhibit A, I, Gary S. Jones, President of Northland, hereby request a streamlined financial hardship waiver of the Commercial Advertisement Loudness Mitigation (CALM) Act rules for one (1) year.

Pursuant to the Commission's December 13, 2011 Report and Order in the above-captioned proceeding, I certify that each of the systems listed on the attached Exhibit A (i) have fewer than 15,000 subscribers each, and therefore meet the Commission's definition of a small MVPD system, and (ii) needs a delay of one (1) year to avoid the financial hardship that would otherwise be imposed if they were required to obtain sooner the necessary upgraded ad insertion equipment and purchase audio monitoring equipment and otherwise comply with the CALM Act rules.

I represent and warrant that the above certification is consistent with 47. C.F.R. §1.17 which requires truthful and accurate statements to the Commission. I also acknowledge that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject Northland to enforcement action.
