

Hi, I am sending a complaint about WBOK 1230-AM in New Orleans. I am listening to the station and I hear profane words from their Jocks in the Mornings and Afternoons.

Also, a jock by the name of Gerrod Neely a.k.a Gerrod Stevens is on the air after having allegations of unethical practices as a PD for Q93 radio in the 1990's. He continues to solicit money over the air for his radio show to support educational efforts that are not legitimate.

Please investigate this further.

Thank You
