PETITION FOR RULEMAKING

Wendolyn Tellez (“Tellez”), by her attorney, hereby request that the Commission amend the FM Table of Allotments as follows.

<u>Community</u>	<u>Current</u>	<u>Proposed</u>
Pearsall, Texas	227A	277A

Channel 227A currently is vacant. Therefore, no reimbursement to an existing licensee will be required to in conjunction with this proposed allotment change.

Concurrently with the filing of this Petition, Tellez is filing an amendment to her pending application (File No. BPH-20120814ABM) to reflect the filing of this Petition. The pending application proposes that (i) simultaneously with the grant of this channel change, Station KSAG, Channel 277A, Pearsall, Texas, be issued a construction permit to allow it to move its channel of operation at Pearsall, Texas to Channel 227A at Pearsall, Texas once that channel becomes available as a result of this proceeding, and (ii) that KSAG’s license then be modified accordingly to specify operation on Channel 227A.

Tellez hereby pledges to expeditiously implement the construction permit to be issued for KSAG on Channel 227A following issuance of the construction permit. Adoption of this

proposal would be in full accord with the Commission's spacing rules, with a reference point of 29° 01' 5"N, 99° 5' 45" W. Insofar as Mexican concurrence already has been obtained for operation on Channel 277A at Pearsall, Texas at the proposed coordinates, no International coordination with Mexican authorities will be required for a grant of this rulemaking proposal.

As noted above, a long-form FCC Form 301 has been filed for use of currently vacant Channel 277A by KSAG. Grant of this proposal will permit KSAG immediately to provide enhanced service to the community of Pearsall. Tellez commits to filing any necessary expression of interest once Comments with respect to the Petition are accepted, and intends to participate in any auction for the allotment that is held and construct the proposed facility promptly.

Respectfully submitted,

WENDOLYNN TELLEZ
