Enclosures

1. Name and Address of Carrier: XO is located at 13865 Sunrise Valley Drive, Herndon, Virginia 20171-4661.

2. Date of Planned Service Discontinuance, Reduction or Impairment: The Applicant plans to discontinue the provision of its Dial-Up Services effective November 26, 2012. Applicant understands that this application will be automatically granted on the 31st day after public notice of filing unless the Commission notifies the Applicant to the contrary.

3. Points of Geographic Areas of Service Affected: XO proposes to discontinue the provision of its Dial-Up Services throughout its nationwide service territory.

4. Brief Description of Type of Service Affected: The XO Dial-Up Service offerings affected by this discontinuance are its Wholesale Dial, Enterprise Dial, and Managed Modem Port Services. These services provide subscribers with dial-up service, enabling subscribers to access other ISPs. For these service offerings, XO provides subscribers with only transmission service.

XO is in the process of streamlining its product offerings. Accordingly, XO has decided to discontinue its Dial-Up Services to better focus on those services most requested by its customers. The proposed discontinuance of XO's Dial-Up Services will not harm the affected customers because there are other alternative dial-up service providers and technologically advanced services that perform essentially the same or better functions. In addition, the affected customers should easily be able to obtain alternative means to access ISPs from ISPs themselves as well as from other telecommunications carriers.

5. Brief Description of the Dates and Methods of Notice to All Affected Customers:

In accordance with Section 63.71(a), on October 8, 2012, XO provided written notice, by first class mail to its affected subscribers.² A copy of the Notice is attached hereto as Attachment A.

6. Whether the Carrier is Considered Dominant or Non-Dominant with Respect to the Service to Be Discontinued, Reduced or Impaired: Applicant is considered non-dominant with respect to the affected services.

In accordance with Section 63.71 of the Commission's Rules, a copy of this Application is being mailed to the Special Assistant for Telecommunications for the Secretary of Defense, concurrent with the filing of this Application.

Additional questions regarding this application may be addressed to the undersigned.

Respectfully submitted,

XO Communications, LLC

IMPORTANT NOTICE REGARDING DISCONTINUANCE OF SERVICE

Dear Sir or Madam,

Effective November 26, 2012, XO Communications Services, LLC and its affiliates, XO Virginia, LLC, and Telecommunication of Nevada, LLC (collectively, "XO"), will no longer be providing to customers its Wholesale Dial, Enterprise Dial, or Managed Modem Port Services ("Dial Services"). This discontinuance impacts all markets where these services are currently provided.

XO has decided to discontinue its Dial Services to better focus on those services most requested by our customers. We are furnishing you with notice sufficient to allow you to evaluate alternative providers if you currently are using any of these Dial Services.

The Federal Communications Commission will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, 445 12th Street, SW, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of XO Communications Services, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

If you have questions concerning this notice, please feel free to contact your assigned Carrier/Client Services Manager (CSM) or call the designated toll-free number shown on your monthly XO invoice. We thank you for your business and look forward to continuing to serve you in other capacities.

Sincerely

XO COMMUNICATIONS
