

for the past year or longer I keep receiving calls from Credit Services , 914-594-9052 .Have pressed 2 to be taken off list. No luck. I believe this is a scam and sometimes get 2 o3 call a week. I am elderly and get up to answer the phone to find this frustrating , to say the least, call. The latest came in today, 10/30/12 at app 11: am. Can you help to get me off their list? Thanks
