To Whom It May Concern-

I would like to request a deadline waiver for my 471 application (876347). The person who worked on e-rate is no longer with us. This year is my first year working with the project. Just to get started was complicated. I had many issues with our pin number and had to have it reissued numerous times. Eventually with the help of knowledgeable customer support representatives, we eventually learned that we were better off mailing our form 470, thus the form was late with the following form 471. Thank you.

Sincerely,

Melissa Asher
