Re: *Modernizing the FCC Form 477 Data Program; WC Docket No. 11-10*

Dear Ms. Dortch:

On Tuesday, November 6, 2012, Terri Hoskins, Vonda Long-Dillard and the undersigned of AT&T met with Nese Guendelsberger and Susan Singer of the Wireless Telecommunications Bureau and Rodger Woock, Ellen Burton, Lisa Gelb, Steve Rosenberg and Travis Litman of the Wireline Competition Bureau regarding the above-listed proceeding.

AT&T's representatives described its internal processes and resources required to prepare and submit its Form 477 data semi-annually on behalf of its operating units. During the discussion, AT&T referenced its comments filed in this proceeding,¹ specifically describing the importance of the Commission collecting data from "one-way" VoIP providers and encouraging the Commission to update the filing interface so that filers can submit data for multiple states as a single data file.

Pursuant to section 1.1206 of the Commission's rules, this *ex parte* notification is being filed electronically for inclusion in the record of the above-referenced proceeding.

Sincerely,

cc: Nese Guendelsberger
Susan Singer
Rodger Woock
Ellen Burton
Lisa Gelb
Steve Rosenberg
Travis Litman
