

# Learn how to make *possibilities...possible.*

**Every time you use the phone.**

*If any disability makes it difficult for you to use the telephone, you may qualify for FREE assistive telephone equipment through the Maryland Accessible Telecommunications program.*

Even though you may be able to carry on a conversation with someone in person, you may have difficulty communicating by standard telephone. The Maryland Accessible Telecommunications (MAT) program, a service of Maryland Relay, provides assistive telecommunications equipment—free of charge—to people who qualify. Training on how to use the equipment is available.

To learn more about the free equipment, including hands-free phones, amplified phones, voice activated phones and more, simply call Maryland Relay Customer Service at **1-800-552-7724**. You may also visit our website, [www.mdrelay.org](http://www.mdrelay.org). Click on Free Equipment for more information on how to apply.
