

Dear sir: Please dont stop at us with videophone as what we need to make a vp calls along with business or calling drs appts etc. Also very very important to have 911 for any reason with emergency to call , think of that for us to save our lives ,,,, THINK of that very important with 911 , if you do stop at us how can we make a calls???? ,,,, you have been very discrimination to us not to run with along vp calls, also save our problems with along interpreter to prevent misunderstanding it is important IF IF you do stop think you will hurt us alot with deaf community situation in usa .. Please think about it to save my vp is important, PLEASE, THINK OF THAT TO KEEP YOUR HEARTS OPEN FOR US ,, wondering , about fcc fund was orginial for the deaf ??? thank you Mary B Sposato
