**We filed for client Le Jardin Academy, HI for the 2012-2013 funding year. This is the second year that the service provider did not file the appropriate forms for eligibility. We cancelled this FRN because otherwise the other funding commitments were in jeopardy. Both our client and this office has had repeated communications with the service provider requesting that they complete the necessary FCC filing.**

**Last Thursday, I finally received the following communication from the contact person at SystemMetrics.**
