

It's against the law. Deaf peoples must keep vp because they need to contact 911 and VRS . Don't think about stop it because its important for deaf people. Hearing people can call but where is deaf's enjoy??? We don't want TDD or webcam. We want to keep vp. Please do it for deaf people... And it's against law that cinema movie must have CC on it. I never see deaf people went there because there are no CC..it's not fair for hearing go there and no deaf people with no CC. Deaf people are Disabitley!!!!!! They should have vp. CC on cinema . Don't ever thinkin about stop it...
