Re: Applications of GCI Communication Corp., ACS Wireless License Sub, Inc.,  
ACS of Anchorage License Sub, Inc., and Unicom, Inc. for Consent to the  
Assignment of Licenses to Alaska Wireless Network, LLC  
WT Docket No. 12-187

Dear Ms. Dortch:

On behalf of ACS Wireless License Sub, Inc. and ACS of Anchorage License Sub, Inc. (collectively “ACS”), the enclosed Highly Confidential materials are responsive to the October 11, 2012 request for information and clarification in the above-referenced proceeding (the “October 11 Letter”).<sup>1</sup>

As discussed with the staff of the Wireless Telecommunications Bureau (the “Bureau”), ACS hereby responds to the request for production of documents set forth in items 1 through 7, 13, and 15 through 17 of the October 11 Letter. The enclosed hard drive contains the entire set of documents produced to date to the U.S. Department of Justice in connection with the Department’s review of this transaction. As discussed with the Bureau, these documents generally are provided in the same format as the files that were produced to the Department with only a few formatting changes made according to the Bureau’s request.

In accordance with the October 11 Letter, the documents contained on the enclosed hard drive, which contains Summation load files, are identified as submitted by ACS, the production

volumes are sequentially numbered ACS001-001 through ACS004-001, and the individual images are sequentially numbered ACS000000001 through ACS000512177. The custodian append information, privilege log, and privilege legend associated with documents reviewed for response to the Department are provided electronically on a CD-ROM disc in accordance with directions from Bureau staff. In one or more subsequent filings ACS will respond to the remaining information requests set forth in the October 11 Letter.

The documents provided in this submission, including the custodian append information, privilege log, and privilege legend, are Highly Confidential to ACS and therefore are being provided under seal pursuant to the Commission's Second Protective Order in this docket. All materials included in the enclosed hard drive and CD-ROM disc are designated as "Highly Confidential" in their entirety. The hard drive and the CD-ROM are marked, "HIGHLY CONFIDENTIAL – SUBJECT TO SECOND PROTECTIVE ORDER IN WT DOCKET NO. 12-187 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION," according to the requirements of the Second Protective Order.

ACS has made diligent efforts to ensure that none of the documents it is submitting here is privileged under the attorney-client privilege or attorney work product doctrine. To the extent that any privileged documents may have been inadvertently produced, such production does not constitute a waiver of any applicable privilege. ACS requests that any privileged documents inadvertently produced be returned to ACS as soon as such inadvertent production is discovered by any party, and reserves all rights to seek the return of any such documents.

Please contact me should any questions arise concerning this filing.

Respectfully submitted,
