

I'm deaf or hard of hearing and use for business

I'm deaf or hard of hearing and use VRS to stay in touch with family and friends

I'm deaf or hard of hearing and relay on VRS for emergency 911 service

I'm hearing but know how important VRS is for those who are deaf or hard of hearing

I'm a sign language interpreter that supports the VRS service

I will send my own letter directly to the FCC
