Appeal: Item 21 Attachment 9

When we filed our form 486, one of our service providers (Frontier North, Inc. spin # 143004791) noticed that the wrong category was chosen on the Item 21 attachment, number 9. It is listed correctly on forms 470 (application number 332030000942063 and 471 (application number 861999).

The funding has been confirmed on the Funding Commitment Decision Letter that we received on July 10, 2012. We would like to change the category from Internet Service to Telecommunications/Basic Phone Service for this attachment.
