Re: *Modernizing the FCC Form 477 Data Program; WC Docket No. 11-10*

Dear Ms. Dortch:

On Wednesday, November 28, 2012, Vonda Long-Dillard, Victoria Carter-Hall and the undersigned of AT&T spoke by telephone with Lisa Gelb, Steven Rosenberg and Carol Simpson of the Wireline Competition Bureau regarding the above-listed proceeding. The discussion encompassed potential changes to the current Form 477 data collection (e.g. the geographic scope of the collection and the number of speed tiers) and potential new data collections (e.g. network deployment data and emergency contact information). Potential changes to the FCC's filing mechanism and the use of the "checkbox" to request confidential treatment of information were also referenced.

Pursuant to section 1.1206 of the Commission's rules, this *ex parte* notification is being filed electronically for inclusion in the record of the above-referenced proceeding.

Sincerely,

cc: Lisa Gelb
Steven Rosenberg
Carol Simpson
