RE: REQUEST FOR WAIVER

This is a request for a waiver on the deadline for our Form 471 that was filed with the USAC for funding year 2012. We received the "**Funding Year 2012 Form 471 Postmarked Outside of Window Letter**" which is dated October 2, 2012. During funding year 2012, the superintendent for the district changed in February 2012. Once the position changed, I was unaware of the filing dates and was unable to attend to my E-Rate responsibilities as I should due to assisting the new superintendent. Please understand the amount of chaos and confusion that takes place due to administration changing in the middle of the school year.

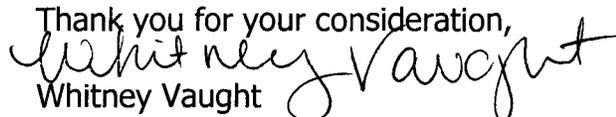

Please consider waiving the deadline for our districts form 471 as it is a huge benefit and we could not prevent the circumstances of the changes in our administration.

- 34 I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on this application, or any person associated in any way with my entity and/or the entities listed on this application, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the schools and libraries support mechanism.
- 35 I certify that if any of the Funding Requests on this Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504(g)(1), (2).
- 36 I certify that this funding request does not constitute a request for internal connections services, except basic maintenance services, in violation of the Commission requirement that eligible entities are not eligible for such support more than twice every five funding years as required by the Commission's rules at 47 C.F.R. § 54.506(c).
- 37 I certify that the non-discount portion of the costs for eligible services will not be paid by the service provider. The pre-discount costs of eligible services featured on this Form 471 are net of any rebates or discounts offered by the service provider. I acknowledge that, for the purpose of this rule, the provision, by the provider of a supported service, of free services or products unrelated to the supported service or product constitutes a rebate of some or all of the cost of the supported services.
