

Chairman Genachowski,

Hello, my name is Tena Henderson and Mary Ettinger who r deaf women and we want to save our vrs for this reason. We really need our vrs for many important things. We r able to take care of our business ,talk to our doctors and make apontments with them with out delay. And we r able to have the 911 call through our vrs! And I we r able to talk with familys who r far away and, able to talk to friends with this vrs. Also able to talk with our childrens teachers in school! And most of all we can get up date news about deaf people all over the world that we learn about. Please do not take our only communication away from us they r needed in many ways. Also this kind of communication works for us best! Thank u for your time . Ms. Tena Hendersn & Mrs. Mary Ettinger. Tena Henderson
