Re: In the Matter of Wavecom Solutions Corporation, Transferor and Hawaiian Telcom, Inc., Transferee; Application for Consent to Transfer Control of Domestic Authorizations Under Section 214 of the Communications Act, as Amended, WC Docket No. 12-206

Dear Ms. Dortch:

On December 3, 2012, I spoke by telephone with Jodie May and Christopher Sova of the Wireline Competition Bureau concerning the above-captioned proceeding. I urged the Commission to promptly grant the transaction. A grant by the end of the calendar year is essential to address Wavecom's financial difficulties as well as to protect employee health insurance plan participation in 2013.

I enclose a revised description of services provided in specific buildings in the State of Hawaii where both HTI and Wavecom currently have facilities. This appendix revises, and therefore should replace, the information provided in Appendix B, which was appended to Letter from Gregory J. Vogt to Marlene H. Dortch, FCC, Docket No. 12-206 (Nov. 29, 2012).

The attached chart contains confidential information. Therefore, pursuant to the Protective Order,¹ one copy of this filing containing Confidential Information (the "Confidential Filing") and two copies of the filing in redacted form (the "Redacted Confidential Filing") are being provided to the Secretary's Office.² Two copies of the Confidential Filing are also being delivered to Jodie May, Competition Policy Division, Wireline Competition Bureau.

¹ *Wavecom Solutions Corporation, Transferor and Hawaiian Telcom, Inc., Transferee; Application for Consent to Transfer Control of Domestic Authorizations Under Section 214 of the Communications Act, as Amended, Protective Order, WC Docket No. 12-206, DA 12-1533 (Wir. Comp. Bur., rel. Sept. 25, 2012) ("Protective Order").*
