

Chairman Genachowski,

Hello FCC member,

Please don't hurt Sorenson Business because it will be our huge impact issue, because we depend on our commicatie access by "phone" is Sorenson service and I'm deaf using sorensen service as contact with family, friend, 911, and business as I consider because I felt have equal commicatie as same hearing people do so again please don't destory deaf and hard hearing community and sorensen business Thank you Keith Richardson
