

Chairman Genachowski,

Hello madam and sir ,

I am deaf and using the svrs interpreter for everything I needs make a calls. really wonderful for me to using svrs with hearing people.. also I using svrs almost every day because of my son's transportation really wonderful help me out with taxi company understand me through with svrs interpreter. please don't reducing of svrs employed people.. I don't want my son be late for school of the transportation using of the taxi to school. And many reason I needs svrs more faster not waiting waiting we don't want that. I know deaf community needs svrs interpreter be faster of their service. also I can using the 911 with svrs are best of service if something there happen they can calls police and etc.. faster arrive before happen accident or get hurts. Please stay stable for all of us in all american needs svrs service faster. if you keep cut of the rate for svrs service, you will impact our effect of life and emotion frustrating with svrs interpreter. please think about it our needs and effect of life with svrs interpreter.. thank you for your time to read and think about what is important to us using the svrs more service faster!.. thank you Hilary Whitmore Hilary Whitmore
