

3. As set forth in the attached Certification, I certify that WBQP-CD satisfies the definition of "small broadcast station" by virtue of having far less than \$14 million in gross annual revenues. I further certify that to avoid financial hardship, I require a one-year delay to obtain the equipment necessary for WBQP-CD to comply with the CALM Act requirements.

4. It respectfully requested that a one-year waiver be granted for WBQP-CD to comply with the CALM Act, if applicable to Class A stations.

Respectfully submitted:
