Re: Petition for Reconsideration
DA No. 12-1998, released December 12, 2012
CC Docket No. 02-6
Appeal to Funding Year 2012 Form 471 Postmarked Outside of Window
Applicant's Form Identifier: PHONE 15
Form 471 Application Number: 876827

Our technology coordinator, Bill Doggrell, handled all of our e-rate information and filings. He passed away about the time that our Form 471 was due. I came in and took over his duties, but didn't know anything about working as a school technology coordinator and handling e-rate. Once I found out that we had forms that needed to be sent in, I did so in a timely manner. Unfortunately, I sent the forms in well past the scheduled deadline. We are seeking consideration of the Bureau's decision to deny our original appeal and ask for a petition for reconsideration by the Bureau.
