**Re: Appeal of USAC Decision On Appeal of Administrators Decision on Appeal in CC
Docket No. 02-6**

Applicant Name:	Warren County School District
Billed Entity Number:	126869
Funding Year	2012
Form 471 App. Number:	856694
Funding Request Numbers:	2330732

Dear Ms. Dortch:

Warren County School District of Warren County, North Carolina ("Warren County" or "District"), acting through counsel and pursuant to Sections 54.719-54.721 of the Commission's rules¹, hereby timely files this Request for Review or Waiver ("Appeal"). The Appeal requests Commission review of the adverse decision of the Administrator of the Universal Service Administrative Company ("USAC") denying the funding request(s) enumerated above for Funding Year 2012.²

More specifically, on November 30, 2012, USAC's Schools and Libraries Division ("SLD") issued a decision denying an appeal filed by Warren County with USAC. In its decision on appeal USAC held that its previously-issued determination to deny funds³ was justified based on findings that the District failed to properly provide sufficient evidence that the applicant made a clerical and ministerial error in the preparation of its FCC Form 471. Specifically the decision stated that the

documentation provided by District to support the fact that a clerical and ministerial error was made at the time of the preparation of the applicant's FCC Form 471 does not support the requested removal of four entities from Block 4 of the FCC Form 471.

We respectively disagree with this decision. We responded upon the request of USAC reviewers on November 6, 2012 and included the documentation that was used to input the list of entities in Block 4 of FCC Form 471 at the time that Form was prepared, submitted, and certified. The documents offer positive proof that indeed a clerical and ministerial error was made at the time of the preparation of the form. Further we submitted to USAC a RAL correction form on August 1, 2012 notifying USAC of the error and requesting that the error be corrected. Such notification was made prior to the issuance of the FCDL.

Warren County is aggrieved by USAC's November 30, 2012 decision and submits that for various reasons outlined in its original August 28, 2012 appeal to USAC and others that the decision is unjustified and in error. Specifically, the decision regarding the fact of whether a clerical and ministerial error was made in the preparation of the applicant's FCC Form 471 is unwarranted and unjustified under the rules, policies and requirements governing the correction of clerical and ministerial errors.

Warren County will supplement this Appeal with a full discussion of the facts, the District's position and supporting arguments.

Respectfully submitted,

Re: Applicant Name: WARREN COUNTY SCHOOL DISTRICT
Billed Entity Number: 126869
Form 471 Application Number: 856694
Funding Request Number(s): 2330732
Your Correspondence Dated: August 28, 2012

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's Funding Year 2012 Funding Commitment Decision Letter for the Application Number indicated above. This letter explains the basis of USAC's decision. The date of this letter begins the 60 day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 2330732
Decision on Appeal: **Denied**
Explanation:

- According to our records, the FCC Form 471 application was submitted with a shared discount of 88% and is requesting Priority Two services. On August 13, 2012, USAC issued a Funding Commitment Decision Letter denying the funding request because there is not sufficient funds available to applicants at a discount rate of 89% and below. You have not provided any information that shows that USAC had erred in its initial determination. Consequently, your appeal is denied.
- The FCC's Bishop Perry Order directed USAC "to provide all E-rate applicants with an opportunity to correct ministerial and clerical errors on their FCC Form 470 or FCC Form 471, and an additional opportunity to file the required certifications" without posting new FCC Forms 470 and 471. *See Request for Review of the Decision of the Universal Service Administrator by Bishop Perry*

Middle School, et al., Schools and Libraries Universal Service Mechanism, File Nos. SLD-487170, et al., CC Docket No. 02-6, *Order*, 21 FCC Rcd 5316-5317, FCC 06-54 para. 23 (May 19, 2006) (Bishop Perry Order). As a result, USAC sends an applicant a Receipt Acknowledgement Letter (RAL) when the FCC Form 471 has been successfully data entered and provides the applicant with an opportunity to make allowable corrections to its FCC Form 471. *See* www.usac.org/sl.

- FCC rules require that where demand for funding exceeds available support, first priority be given to requests for Telecommunications Services and Internet Access. *See* 47 C.F.R. sec. 54.507(g)(1)(i). FCC rules further require that requests for Internal Connections be given second priority and be funded only if funds remain after support has been reserved for Telecommunications and Internet Access through all discount levels in a funding year. *See* 47 C.F.R. sec. 54.507(g)(1)(ii). For schools and libraries that create consortia for the purposes of making funding requests and sharing products and/or services, the discount level is calculated by averaging the applicable discounts of the schools and libraries that are members of the consortia. *See* 47 C.F.R. sec. 54.505(b)(4). Because discount levels for consortia are determined in this manner, the discount levels for shared products and/or services requests are single discount level percentages rather than the broad discount level percentages for individual schools and libraries as determined by the matrix. *See* Federal-State Joint Board on Universal Service, CC Docket Nos. 97-21 and 96-45, Fifth Order on Reconsideration in CC Docket No. 97-21, Eleventh Order on Reconsideration in CC Docket No. 96-45 and Further Notice of Proposed Rulemaking, 14 FCC Rcd 6033, FCC 99-49 (rel. May 28, 1999). Where demand for discounts for Internal Connections exceeds available support, FCC Rules require that funding be allocated to the most economically disadvantaged schools and libraries as determined by the matrix. *See* 47 C.F.R. secs. 54.505(c), 54.507(g)(1)(ii). Consequently, where demand for discounts for Internal Connections exceeds available support, FCC rules require that funding be awarded first to applicants eligible for a 90 percent discount level and then at each descending single discount percentage until funds are depleted. *See* 47 C.F.R. sec. 54.507(g)(1)(iii).
- Your appeal requests additional funds that were not included in the FCC Form 471 that you are appealing. FCC rules require that funding requests must be submitted via an FCC Form 471. *See* 47 C.F.R. sec. 54.504(a). Considerations for funding requests depend on the date the FCC Form 471 is received and the amount of funds available if it is received after the close of the filing window. *See* 47 C.F.R. sec. 54.507(g)(1)(i)-(v). The FCC directed USAC to allow applicants to amend their forms to correct clerical and ministerial errors on their FCC Forms 470, FCC Form 471 applications, or associated documentation until an FCDL is issued. Such errors include only the kinds of errors that a typist might make when entering data from one list to another, such as mistyping a number, using the wrong name or phone number, failing to enter an item from the source list onto the application, or making an arithmetic error. *See* In the Matter of Schools and Libraries Universal Service Support Mechanism, CC Docket No. 02-6, *Order*, FCC 11-60 para. 5 (rel. April 14, 2011).

If your appeal has been approved, but funding has been reduced or denied, you may appeal these decisions to either USAC or the FCC. For appeals that have been denied in full, partially approved, dismissed, or canceled, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.

OBLIGATION TO PAY NON-DISCOUNT PORTION

Applicants are required to pay the non-discount portion of the cost of the products and/or services to their service provider(s). Service providers are required to bill applicants for the non-discount portion. The FCC stated that requiring applicants to pay their share ensures efficiency and accountability in the program. If USAC is being billed via the FCC Form 474, the service provider must bill the applicant at the same time it bills USAC. If USAC is being billed via the FCC Form 472, the applicant pays the service provider in full (the non-discount plus discount portion) and then seeks reimbursement from USAC. If you are using a trade-in as part of your non-discount portion, please refer to our website for more information.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.
