

Chairman Genachowski,

Hello my name Anna and I'm deaf. I am very disappointment about FCC will remove all vp and vrs. It is not fair not right, must required by law the vp and vrs because they understand me use sign language it is so easy clearly. I dont want to TTY old fashion is lousy... We are support them vp and vrs are very important to us deaf and hard of hearing because We call relay on the service interpreted sign language for emergency, doctors, hospital, office, jobs, bills company, many things the details information important because must required by law the ADA support Deaf and hard of hearing! We want to keep it vp and vrs best number#1 period mark... Anna Torres
