

It is imperative that you do not allow Rupert Murdoch to acquire the Tribune and the LA Times. This man and his purple "journalism" already dominates the media with his steady stream of LIES and propaganda. It is also high time you reinstated truth in media laws and equal time for rebuttal on all op eds. Canada has laws that do not allow anyone to knowingly broadcast falsehoods as news without paying severe penalties and these laws have kept this blight on humanity, Rupert Murdoch from spreading his propaganda in Canada. Ask yourself if it is really wise to allow a man with the lack of morality that Murdoch displays to dominate the public airwaves? The answer to this is a resounding NO!
