

I STRONGLY OBJECT to rupert MUrdoch or anyone else ownig more than one media outlet!!!! I grew up with the belief that no-one could own more than one media outlet and therefore we had a variety of opinions ensuring free speach. I especially object to Rupert Murdoch who already owns way too much media power!!! His views are reflected in the hatred, lies and bigoted prejudices spewed out on his Fox T.V. and radio programs. I believe they are responsible for the terrible division in our country! I can't believe you would even consider allowing him or anyone else any more power over the media!! Please do not do this to us. We trust you to have the best interests of our country. Free and unbiased speach is what we deserve. You are the protectors of this for us. PLEASE do not let us down!!! Sincerely. Joan Stone
