Petition for Reconsideration

In this Application of 91 requests from petitioners seeking review of decisions made by the Universal Service Administrative Company (USAC) under the E-rate program, the following seven (7) petitioners listed in Appendix D of the Decision dated December 12, 2012 seek reconsideration of the Decision , wherein their requests for waivers of the FCC Form 471 application filing window deadlines for the finding year of 2012 under the E-rate program were denied: **1) BEACH CITIES CHABAD, REDANDO BEACH, CA., Application Numbers 875306 and 875308; 2) CHAYA MUSHKA CHILDREN’S HOUSE, SANDY SPRINGS CA., Application Numbers 875303 and 875304; CHEDER AT THE OHEL-NEW CAMPUS, VALLEY STREAM, N.Y., Application Numbers 875292, 875300 and 875301; EMEK HEBREW ACADEMY, SHERMAN OAKS, CA., Application Numbers 875140 and 875361; TORAH ACADEMY-LAWRENCE CEDARHURST HIGH SCHOOL, CEDARHURST, N.Y., Application Numbers 875362 and 875363; USA OUTREACH VALLEY VILLAGE, CA., Application Numbers 875357 and 875358; and YESHIVA RABBI SAMSON RAPHAEL HIRSCH SCHOOL NEW YORK, N.Y., Application Numbers 875350, 8753559 and 875360.**

In the Decision by the Chief, Telecommunications Access Policy Divisions, Wireless Competition Bureau it was recognized that each of the 91 requests by the petitioners seeking review, including the seven petitioners who seek reconsideration herein, was premised upon the very same special circumstances that were reported on the last day of the filing period:

1. That the E-rate consultant had been dealing with the a family emergency, which was the hospitalization, terminal illness and the ultimate death of his brother which occurred close to the form 470 filing window. As a result many of the 471 forms in the underlying application were filed near or within the 24-36 hour after the close of the filing window.

2. The consultant also experienced technical issues with the USAC online filing site and fax numbers during that same period.

The consultant reported those issues with case # 22-343279 on the last day of the filing period. Until that time the consultant had never had any form filed outside of the application window.

Pursuant to *Requests for Review of the Decisions of the Universal Service Administrator by Academy of Math and Science, et al.* File Nos. SLD-487009, this body has held that special circumstances exist to justify granting waiver requests close in time to the window filing deadline. *See also, in the Matter of Bais Chaya Mushka*, File Nos. SLD-799949. In *Requests for Waiver and Review of the Decisions of the Universal Service Administrator by Acorn Public Library et al.* File Nos. SLD-637819, a waiver may be granted where petitioner filed their form 471 late due to circumstances beyond their control. *In the Matter of Bishop Perry Middle School, et al.* SLD Nos. 487170 et al.

In each of the 91 underlying petitions the excuse proffered for the late filings were all identical. As set forth within paragraph 2 of the Order, 39 waiver requests listed in Appendix "A" to the Order because those petitioners' applications were filed within 14 days of the filing window allowance.

In each of the seven above referred to cases the consultant received the “Paper Certification and Signature” forms with the assigned 471 Application Number on March 21 or March 22, 2012. (Exhibits Attached.) The 14 day window period for the completion of the filings of the applications in these matters ended on May 9, 2012. The Certifications were signed by the client and postmarked prior to the May 9, 2012 as follows: (Exhibits Attached)

Beach Cities Chabad- Application Numbers 875306, 875308 - 5/7/12

Chaya Mushka Children’s House-Application Numbers 875303, 875304 - 4/28/12

Cheder at the Ohel-New Campus- Application Numbers 875292, 875300, 875301-4/5/12

Emek Hebrew Academy ACA Magnolia Campus- Application Number 875140, 875361 - 5/9/12

Torah Academy Lawrence-Cedarhurst-High School- Application Number 875362, 875363 -4/18/12

USA Outreach-Application Numbers 875357, 875358 - 4/4/12

Rabbi Samson Raphael Hirsch School- Application Numbers 875350, 875359, 875360 – 4/4/12

Although the special circumstances in these seven petitions were the same as were the 39 petitions listed in Appendix A of the Order, wherein the Chief found good cause shown in order to waive the rules of the Commission, and to extend the petitioners’ time to file, for reasons not set forth in the Order the above seven petitions, which are listed within Appendix D were denied by reason of the failure to present special circumstances justifying a waiver of section 54.507(c) of the Commission’s rules.

The assistance that the petitioners receive from the E-rate program is vital to their schools. Due to a procedural failure that was beyond both their control and the control of their consultant is devastating to those schools. It is therefore respectfully requested that application

by the seven applicants for reconsideration of the decision dated December 12, 2012 be granted;
that the determination as to the seven petitioners herein be reversed and that the late filings by
the seven petitioners be accepted in their entirety.

Respectfully submitted,

I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.

- 35. I certify that if any of the Funding Requests on this Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504(g)(1),(2).

26. I certify that, if required by Commission rules, all of the individual schools and libraries receiving services under this form are covered by technology plans that are written, that cover all 12 months of the funding year, and that have been or will be approved by a state or other authorized body or an SLD-certified technology plan approver prior to the commencement of service.

27. I certify that (if applicable) I posted my Form 470 and (if applicable) made any related RFP available for at least 28 days before considering all bids received and selecting a service provider. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.
- 31. I acknowledge that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of benefits from those services.
- 32. I certify that I will retain required documents for a period of at least five years after the last day of service delivered. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the application for, receipt of, and delivery of services receiving schools and libraries discounts, and that if audited, I will make such records available to the Administrator. - 35. I certify that if any of the Funding Requests on this Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504(g)(1),(2).
- 36. 26. I certify that, if required by Commission rules, all of the individual schools and libraries receiving services under this form are covered by technology plans that are written, that cover all 12 months of the funding year, and that have been or will be approved by a state or other authorized body or an SLD-certified technology plan approver prior to the commencement of service.
- Or I certify that no technology plan is required by Commission rules.
27. I certify that (if applicable) I posted my Form 470 and (if applicable) made any related RFP available for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted were carefully considered and the most cost-effective service offering was selected, with price being the primary factor considered, and is the most cost-effective means of meeting educational needs and technology plan goals.
28. I certify that the entity responsible for selecting the service provider(s) has reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that the entity or entities listed on this application have complied with them.
29. I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. §§ 54.500, 54.513. Additionally, I certify that the entity or entities listed on this application have not received anything of value or a promise of anything of value, other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection

with this request for services.

- 30. I certify that I and the entity(ies) I represent have complied with all program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments. There are signed contracts covering all of the services listed on this Form 471 except for those services provided under non-contracted tariffed or month-to-month arrangements. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.
- 31. I acknowledge that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of benefits from those services.
- 32. I certify that I will retain required documents for a period of at least five years after the last day of service delivered. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the application for, receipt of, and delivery of services receiving schools and libraries discounts, and that if audited, I will make such records available to the Administrator. I acknowledge that I may be audited pursuant to participation in the schools and libraries program.
- 33. I certify that I am authorized to order telecommunications and other supported services for the eligible entity(ies) listed on this application. I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this application, that I have examined this request, that all of the information on this form is true and correct to the best of my knowledge, that the entities that are receiving discounts pursuant to this application have complied with the terms, conditions and purposes of this program, that no kickbacks were paid to anyone and that false statements on this form can be punished by fine or forfeiture under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under the Title 18 of the United States Code, 18 U.S.C. § 1001 and civil violations of the False Claims Act.
- 34. I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on this application, or any person associated in any way with my entity and/or entities listed on this application, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the schools and libraries support mechanism.
- 35. I certify that if any of the Funding Requests on this Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504(g)(1),(2).
- 36. I certify that this funding request does not constitute a request for internal connections services, except basic maintenance services, in violation of the Commission requirement that eligible entities are not eligible for such support more than twice every five funding years as required by the Commission's rules at 47 C.F.R. § 54.506(c).
- 37. I certify that the non-discounted portion of the costs for eligible services will not be paid by the service provider. The pre-discount costs of eligible services featured on this Form 471 are net of any rebates or discounts offered by the service provider. I acknowledge that, for the purpose of this rule, the provision, by the provider of a supported service, of free services or products unrelated to the supported service or product constitutes a rebate of some or all of the cost of the supported services.
