

Company name HFC/Beneficial/HSBC (800) 715-6478.

As a consumer I understand that we are responsible for paying our debts each months, however sometime it is impossible to pay on time. My problem with HFC is from the beginning of the month collection calls start, all day in my case every hour it is annoying and I believe harrassing.

I refuse to make any arrangement with them due to the amount of time they call in one day. Please make them stop autocalling it is unnecessary, it will not produce a possitive reaction, or make me pay faster, if the money isn't available.
