REDACTED—FOR PUBLIC INSPECTION

Errata

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
445 12th Street, NW
Washington, DC 20554

Re: *Connect America Fund, WC Docket No. 10-90*

Dear Ms. Dortch,

On January 9, 2013 we submitted a comment in the above listed docket. That comment attached a list of census blocks that the Commission listed as either “unavailable” or “partially unavailable” for fixed terrestrial broadband service with advertised speeds of at least 3 Mbps downstream and 768 kbps upstream, but within which GCI provides such broadband service. We updated that list by filing an Errata on January 10th. We have further corrected this attachment to reflect updated information and to clarify in the column headings what the listed percentages represent. These are the only changes to the comment and its attachments. This replaces in its entirety the version of GCI’s comments and attachments that was filed on January 9th, as well as the Errata that was filed on January 10th.

Should you have any questions, please feel free to contact me.

Respectfully submitted,

John T. Nakahata

Counsel for General Communication, Inc.

Re: *Connect America Fund*, WC Docket No. 10-90

Dear Ms. Dortch:

On behalf of General Communication, Inc. (“GCI”), the undersigned counsel submits the attached comments containing Confidential Information pursuant to the *Third Protective Order*, DA 12-1418, released August 30, 2012. As required by the *Order*, we submit (a) one copy of the filing containing Confidential Information to the Secretary’s Office along with the confidential cover letter; and (b) two copies of the filing in redacted form to the Secretary’s Office along with this cover letter. We will also file a copy of the redacted version via ECFS.

Respectfully submitted,

Tina Pidgeon

REDACTED FOR PUBLIC INSPECTION

**Before the
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554**

In the Matter of)
)
Connect America Fund) WC Docket No. 10-90
)

**COMMENTS OF GENERAL COMMUNICATION, INC.
ON THE CAF PHASE 1 UNSERVED AREAS LIST**

General Communication, Inc. (“GCI”) hereby files these comments in response to the Commission’s Public Notice of December 5, 2012, seeking public input on its list of potentially unserved census blocks.¹ GCI has reviewed this list. Attached is a list of census blocks that the Commission has listed as either “unavailable” or “partially unavailable” for fixed terrestrial broadband service with advertised speeds of at least 3 Mbps downstream and 768 kbps upstream, but within which GCI provides such broadband service. GCI is also providing the Commission with maps of these census blocks indicating the scope of the area in which it offers such service.² GCI provides broadband in these areas either through GCI Cable, for cable-based broadband service, or through GCI Communication Corp. for fixed wireless service.

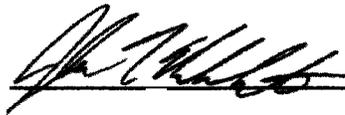

¹ *Wireline Competition Bureau Seeks Comment on Areas Shown as Unserved on the National Broadband Map for Connect America Phase I Incremental Support*, Public Notice, DA 12-1961 (rel. Dec. 5, 2012).

² Attached are maps for the census blocks served by GCI Cable. Maps for areas served through fixed wireless will be filed shortly.

REDACTED FOR PUBLIC INSPECTION

GCI has not heretofore provided this data to the SBI contractor, Connect Alaska. It is doing so contemporaneously, and will also provide Connect Alaska with coverage maps showing the areas within these census blocks in which GCI offers advertised services of 3 Mbps downstream and 768 Kbps upstream.

Respectfully submitted,

Tina Pidgeon
