Appeal Reason	Denied for missing Item 21 Attachment deadline.

Appeal Explanation:

On June 28 I received a fax saying that my item 21 had not been submitted. I thought I had submitted it online when I submitted my 471 but I had not. I called customer service and they told me that the deadline to submit online had past but I could fax it in and be ok. I faxed in the item 21 attachment that I did in excel on June 28th. Prior to the fax on June 28th I had not received any other communication that my Item 21 attachment had not been submitted. I received my funding request letter saying I was denied because I did not meet the deadline. I have been told this was the first year that a deadline was put on the item 21 and that an email had been sent out. I did not see this email. I am also sending the Item 21 attachment that I did. I was told that this has happened to several schools and their appeals were accepted. Thank you for your time and attention to this matter.

Sincerely,
