**Re: *Notice of Ex Parte Presentation, PS Docket No. 12-268***

Dear Ms. Dortch:

On January 17, 2013, Jeffrey Marks, Stephen Wilkus and Shen-De Lin of Alcatel-Lucent met by teleconference with Gary Epstein and Edward Smith of the Incentive Auctions Task Force and Chris Helzer, John Leibovitz, Tom Peters, and Blaise Scinto of the Wireless Telecommunications Bureau.

Alcatel-Lucent representatives and Commission staff discussed technical issues presented by the Commission's lead 600 MHz band plan proposal set forth in the above captioned proceeding, which Alcatel-Lucent engineers continue to study as the company works toward technical recommendations. Alcatel-Lucent will document any conclusions it reaches in a subsequent filing in this proceeding.

Please contact the undersigned with any questions in connection with this submission.

Respectfully submitted,

/s/
