Re: *Puerto Rico Telephone Company's Emergency Petition for Temporary Waiver of the Lifeline Recertification Deadline; Lifeline and Link Up Reform and Modernization, WC Docket 11-42; Lifeline and Link-Up, WC Docket No. 03-109; Federal-State Joint Board on Universal Service, CC Docket No. 96-45*

Dear Ms. Dortch:

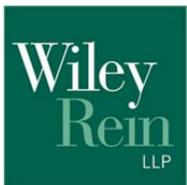

On January 9, 2013, the Puerto Rico Telephone Company ("PRT") filed an ex parte letter that followed up on its Emergency Petition for Temporary Waiver of the Lifeline Recertification Deadline ("Petition").¹

Among other things, PRT stated in the letter that "if the Commission ultimately rejects the [Puerto Rico Telecommunications Regulatory Board's] petition to opt out of the National Lifeline Accountability Database ("NLAD"), PRT commits to securing consent from its customers by May 1, 2013 to submit their names to the NLAD."² PRT files the instant letter to clarify its commitment and, based on discussions with WCB Staff, amend the commitment date. Specifically, by July 31, 2013, PRT commits to securing consent from its customers who remain enrolled in the Lifeline program to provide the following information to the NLAD as required by the FCC's rules:

- Subscriber's full name
- Subscriber's full residential address
- Date of birth
- Last 4 digits of the subscriber's social security number or Tribal ID number
- Telephone number associated with the Lifeline service

¹ See Letter from Tom Navin, Wiley Rein LLP, to Marlene Dortch, FCC, WC Docket No. 11-42 (Jan. 9, 2013).

- Date on which the Lifeline service was initiated
- Date on which the Lifeline service was terminated, if it has been terminated
- The amount of support being sought for that subscriber
- The means through which the subscriber qualified for Lifeline

Thank you for your attention to this request, and please let me know if there are any additional questions.

Sincerely yours,
