**WITHDRAWAL OF PETITION FOR
CLARIFICATION AND/OR RECONSIDERATION**

The Law Firm of Blooston, Mordkofsky, Dickens, Duffy & Prendergast, LLP, on behalf of numerous clients that hold Part 90 private radio licenses (hereinafter the “Blooston Part 90 Licensees”), hereby withdraws its “Petition For Clarification and/or Reconsideration,” filed December 21, 2012 (“Petition”).

The Petition was filed out of concern that the Commission’s statements in footnote 423 of the *Notice of Proposed Rulemaking*, FCC 12-118, released October 2, 2012 (“*NPRM*”) meant that Rule Section 1.2102(c)(11) had, in fact, been repealed due to the specific phraseology used.

This concern has been satisfactorily addressed by communications from the Commission’s staff confirming that, despite the wording of footnote 423, the deletion of Section 1.2102(c) will be treated by the Commission as a proposed action for purposes of the *NPRM*, as reflected in Appendix A thereof. Therefore, the Blooston Part 90

Licenses shall address the merits of their concerns in comments to be filed in response to the NPRM.

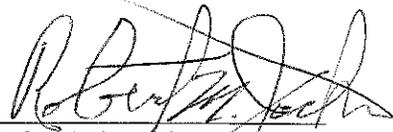

WHEREFORE, in view of the foregoing, the Blooston Part 90 Licensees hereby withdraw the Petition.

Respectfully submitted,

The Blooston Part 90 Licensees
