

As a dedicated Christian living in Marietta, I am concerned about the future of the many Christian low power television broadcast stations positively influencing our nation and our hometown. Our local LPTV station must be protected. As a Christian, I am concerned that any loss of LPTV service will mean a reduction in the availability of broadcast content that brings hope and positive values to our daily life. I believe the Christian message is important because people who are not able to attend church want to watch local religious programming. Most often, the cable and network television channels fail to represent my Christian values in their content. We want the future of Christian TV broadcasting to be protected because not everyone has the extra finances to pay for cable/dish TV. Please do not permit Christian voices to be silenced through the loss of LPTV stations as a result of the planned auction or repack. Low-power TV stations that have operated in good faith and have complied with their license should be protected and kept on the air.
