Re: ERRATUM - Notice of Ex Parte Presentation of American Cable Association; 2010 Quadrennial Regulatory Review -- Review of the Commission's Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996, MB Docket No. 09-182; and Amendment of the Commission's Rules Related to Retransmission Consent, MB Docket No. 10-71¹

Dear Ms. Dortch:

On January 24, I had a telephone conversation with Alex Hoehn-Saric, Policy Director to Commissioner Rosenworcel, to discuss the Commission's 2012 Quadrennial Regulatory Review. On the call, I reiterated that the Commission should recognize the practice of separately owned, same market television stations coordinating their retransmission consent negotiations as creating an attributable interest under existing broadcast ownership rules. The views I expressed were consistent with ACA's prior filings on the subject.²

Pursuant to section 1.1206 of the Commission's rules, this letter is being filed electronically with the Commission.

Sincerely,

Ross J. Lieberman
