Re: **CSR-8753-M, Docket No. 12-365**

Dear Mr. Johnson,

We are in receipt of the must carry complaint filed on December 7, 2012 on behalf of Western Pacific Broadcast, LLC, licensee of WACP-TV, Atlantic City, New Jersey, as well as the opposition to that complaint filed by Blue Ridge Cable Technologies on January 7, 2013. Blue Ridge argues in its opposition that the service list attached to WACP's complaint shows that service was not made on the relevant franchising authorities in the Philadelphia, PA Designated Market Area, as required by 47 C.F.R. § 76.7(a)(3).

Accordingly we request that you perfect service on the necessary parties ten days from the date of this letter, and these parties will then have an additional 20 days to file responses to your complaint. During this time, the 120 day statutory period that applies to such complaints will be tolled.

Sincerely,

A handwritten signature in cursive script that reads "Simon Banyai".
