Dear Ms. Dortch:

In this filing, the Public Service Commission of the District of Columbia (DC PSC) respectfully submits the attached information to supplement its Application for Renewal of Current TRS State Certification. For both the Telecommunications Relay Service (TRS) and Captioned Telephone (CapTel) contracts, the following is attached: the DC PSC's Request for Proposal (section 1.1 of both contracts); the contractor's proposal (section 1.2 of both contracts); the contractor's Best and Final Offer (section 1.3 of both contracts); the DC PSC procurement regulations (section 1.4 of both contracts); and the general conditions of the contract (section 1.5 of both contracts). The DC PSC has also included samples of outreach materials provided by carriers and the TRS and CapTel provider. These materials include information about Speech-to-Speech services.

Should you require further information, please do not hesitate to call me on (202) 626-5125. You may also reach me at [bakane@psc.dc.gov](mailto:bakane@psc.dc.gov).

Sincerely,

Betty Ann Kane
