Reference: CC Docket No. 96-45 and CC Docket No. 02-6

Ms. Dortch:

This will serve to formally submit a request for an extension of the service delivery date of a USAC Form 471 for the 2010-2011 filing season as it pertains to the following applicant information:

- **Form 471 Number:** 763416
- **Billed Entity Number:** 16057881
- **Billed Entity Name (Applicant School):** Eaton Academy
- **Application Type:** Priority 2 – Internal Connections
- **FRNs:** 2062849
- **Funding Year:** 2010
- **Name of Submitter:** Sherri Martinez
- **Title of Submitter:** Consultant
- **Submitter Phone Number:** 480-419-5726
- **Submitter email address:** Sherri.martinez@getfunded.net
- **Submitter mailing address:** 20885 N. 90th Pl #110, Scottsdale, AZ 85255

FundEd Consulting, on behalf of Eaton Academy, is disagreeing with the recent USAC decision to not approve the service substitution for FRN 2062849 for 471 #763416, for the funding year 2010 due to the expiration of the service delivery deadline having taken place before the service substitution was submitted. We are hereby requesting an extension of the service delivery date of 9/30/12 to allow for the aforementioned service substitution request as this approved technological decision is sorely needed by the applicant school.

Please forward all questions or requests for clarification to the contact information cited below my signature line herein.

Thank you in advance for your consideration in this important matter.

Sincerely,

A handwritten signature in cursive script that reads "Sherri Martinez".
