AFFIDAVIT OF STEVEN FIGUEROA

State of California]

Riverside County]

I, Steven Figueroa, attest that my statements are true to the best of my knowledge.

Comment round for ET Docket No. 03-137 and WT Docket No. 12-357.

1. My name is Steven Figueroa. My address is 4440 6th Street Riverside CA. 92501.

2. I am a disabled American and Advocate for Children with disabilities

3. As a disabled American and Disabled advocate of children who rely upon the use of technologies that rely upon wireless systems. I want to place a comment in FCC Proceedings ET Docket No. 03-137 and WT Docket No. 12-357. I want to take this opportunity to officially inform the FCC of my “desire to change the RF standards” because “the Commission’s RF safety rules are inadequate because the rules are based on physics rather than biological studies.” I ask the FCC to Please consider the long term risk to children, especially disabled children who are entitled to equal protection under the law. These disabled children rely upon wireless technologies more than other non-disabled children in order to access their education and daily normal living. It is imperative that the FCC RF safety guidelines, reflect the needs of disabled children.

Respectfully submitted by

Steven Figueroa
