I, Jean M. Bowler, attest that my statements are true to the best of my knowledge.

**Comment** round for ET Docket No. 03-137 and WT Docket No. 12-357.

1. My name is Jean Bowler. My address is 4 Vineyard Court Novato, CA. 94947.
2. I am the COO of Green Swan, Inc.
3. My company is focused on cellular safety awareness and bringing to market software and hardware products which help consumers use microwave cellular telephony more safely. The public needs safer guidelines and support from the FCC as to proximity and duration of cell phone usage. Children are particularly at risk as their physiology is more vulnerable to radiation absorption. Please review my attached letter in detail as to the microwave radiation risks associated with the Faraday Cage scenario.
