**Re: MD 12-201
Ex Parte Presentation**

Dear Ms. Dortch:

On February 14, 2013, Mark E. Crosby, President and CEO, Enterprise Wireless Alliance (“EWA”), and undersigned counsel for EWA, met with the staff of the Office of Managing Director listed below. EWA described its members’ use of Part 90 spectrum and the site- and frequency-based licensing requirements applicable to their operations. As stated in its Comments in this proceeding, EWA urged the FCC to examine the licensing and ancillary regulatory activities associated with these Private Land Mobile Radio services to determine the current number of full-time employees devoted to this fee category.

This letter is being filed electronically, in accordance with Section 1.1206(b) of the Commission’s Rules, 47 C.F.R. § 1.1206(b), for inclusion in the record in these proceedings.

Kindly refer any questions or correspondence regarding this matter to the undersigned.

Very truly yours,

Elizabeth R. Sachs
