**Re: Written Ex Parte Communication  
Docket 12-268**

Dear Chairman Genachowski:

The School Board of Miami-Dade County, Florida is very concerned that the television incentive auction proposed in Docket No. 12-268 is a substantial and unnecessary burden upon non-commercial educational television stations and the communities they serve. The School Board has invested heavily in its NCE TV Station WLRN-TV as a means of preparing children for success in school. WLRN-TV broadcasts children's television programming Monday through Friday from 6:00 AM to 7:00 PM. It is important to the School Board's educational mission that its television programming continue to be received by the families who have come to rely upon it.

Enclosed is a copy of the School Board's comments filed in Docket 12-268. I ask that you review them and urge you to take all actions necessary to protect existing service from non-commercial educational television stations.

Thank you for your attention to this matter. Pursuant to Rule 1.1206, the enclosed Notice of Written Ex Parte Presentations will be filed in Docket 12-268 within two business days.

Sincerely yours,

/s/ Joseph A. Belisle
